

WISH

Workforce Initiative Subsidy for Homeownership

About WISH

The WISH Program is an initiative funded by the FHLBank San Francisco which provides up to \$32,000 in matching funds, through its participating member institutions, to qualified, low-income residents to be used towards downpayment or closing costs (max amount depends on the bank partner and the county where home is located). Funds assist eligible, first-time homebuyers with the purchase of an affordable home in Coconino, Mohave, and Yavapai counties. Through this matching program, up to \$8,000 of an eligible low-income buyer's funds are matched 4 to 1 with up to \$32,000 in assistance.

WISH Assistance is a loan that:

- Is forgiven on a pro-rated basis over a 5-year owner-occupancy period.
- Housing Solutions charges a housing counseling fee of 4% of the assistance amount at closing.
- Assistance is recorded as a lien behind the 1st mortgage.

Eligibility

- Must be first time homebuyers. HUD defines “first-time homebuyer” as “an individual who has had no ownership in a principal residence during the 3-year period ending on the date of purchase of the property. This includes a spouse (if either meets the above test, they are considered first-time homebuyers). A single parent who has only owned with a former spouse while married.”
- Household earns under 80% of Area Median Income (see chart on back). Income from all household members is counted.
- Buyer qualifies for a traditional mortgage from a lender or bank.
- Buyer is purchasing a home they can afford based on income and debt ratios.
- Buyer must own and occupy the property as their primary residence for the full-term of the assistance loan and maintain the property in compliance with local laws.
- Purchased home must be a single-family home, condominium, townhome, or manufactured home.
- Purchased home must be located within the program jurisdictional areas of Coconino, Mohave and Yavapai counties.
- Completes the online Homebuyer Education Course (offered in English and Spanish). Course must be completed prior to closing.
